

T4H EVENT SERIES

The events are customizable for each partner that we are working with. Possible events with the volunteers could include components such as:

- Talks about **financial security**
- **Poverty simulation** workshops
- Working with **street outreach teams**

Time For Homes Events

- Offer **engaging workshops** to our volunteers
- **Educate volunteers** on the myriad aspects of homelessness and how recovery works
- Work with volunteers to **provide direct outreach** to individuals who are homeless or at-risk of being homeless
- Offers exciting opportunities for our sponsors to **build goodwill** in their communities
- **Increase our partner's visibility** in the communities they serve

The main goal of our events is to leverage educational components that lead more effective, empathetic advocates exposing the volunteers to people experiencing or at risk of homelessness or recovering from homelessness.

These events can be produced for just 10-20 volunteers up to 300-500 volunteers for a full on weekend retreat.

To ensure the **health and safety** of the volunteers, **social distancing** will be practiced during onsite workshops, or the workshops may be done **remotely**.
